

2021 Event Outline for Team

Last updated 2nd May 2021

Impact Felpham

 a Scripture Union event

What is Impact Felpham?

Impact Felpham has been part of summer in Felpham since 1918! Every summer our amazing team of volunteers put on events for children, young people and families around Felpham, Elmer and Middleton, West Sussex.

While there have been various changes over the years, the vision remains the same, **sharing the Good News of Jesus Christ** and enabling young people and their families to **encounter the love of God**.

Local churches and Christians partner with Scripture Union for a week of activities which has included holiday clubs, water fights, beach events, treasure hunts, sports and games, with every moment **immersed in the love of Jesus**.

Can you join the Impact Felpham team this year to share the love of Jesus with our community?

Plans for 2021

Impact Felpham 2021 will run from **Mon 26th – Thurs 29th July** (with Mon being a team and set up day).

Due to the ongoing uncertainty of the pandemic we've taken the decision to plan things differently to 'normal', in the hope that our currently flexible plan can be adapted depending on what level of covid safety measures we need to follow.

Impact Felpham 2021 will include a series of daytime family activity workshops (hopefully mostly outside), evening youth sessions, and a session at the beach. See below for a provisional outline of how we think the week will look.

Throughout every activity, we will be seeking to share the love of Jesus through our welcome, our conversation and our lives.

Family Activity Workshops

These family activity workshops will incorporate craft, sport, and games for the whole family. Other possibilities we are exploring include: a café space, a performance area for storytelling and community fun (we have a long-held tradition of custard pies for the team), and give-away bags of goodies for all who attend. (detailed plans depend on what is realistic within covid safety measures).

These sessions will run on the morning and afternoon of Tues 27th and Thurs 29th July, and we hope most of the activities will be based outside at Bishop Tufnell School.

Youth Sessions

Each evening (and possibly with a daytime session too) the youth team will gather with young people to play, laugh, eat and explore the Bible together.

Beach Session

On Wednesday we'll have a bonanza on the beach! We're planning for a sandcastle competition or tide fight, and beach games for all the family.

(times and arrangements TBC depending on weather, tide times and restrictions).

Could move to Fri 30th IF weather is bad on Weds.

Being on Team

The volunteer team is essential to running Impact Felpham. **Without you, there would be no event for young people and families to attend to encounter Jesus.** Being on team is a great opportunity to meet and work with other Christians who also have a passion for sharing Jesus with children, young people and their families.

You'll be expected to attend team training and team-time thought week, and work the shifts you have agreed to work, and as representatives of Impact Felpham follow our policies and safeguarding information and guidelines. You will be required to obtain character references, including one from you church leader, and obtain a DBS check through Scripture Union.

You'll also get an event T-shirt to wear and keep after the event (and we hope you'll come back to wear it another year too!).

Our event leader and team leaders will be there to support you and help you know what to do when and be part of making Impact Felpham 2021 a fun week of your summer!

Please note that in 2021 we are currently uncertain if we can offer overnight hospitality due to the pandemic.
